

Organic Unsweetened Barista Oat Drink with Soya Natumi 8x1l

Oats are not just an essential part of breakfast cereals! They can also be used to create delicious plant-based drinks and milk alternatives - perfect for a vegan, animal-free diet. This particularly creamy drink is ideal for muesli, cooking and baking when a plant-based milk alternative is needed, and pairs perfectly with a vegan cappuccino with a beautiful foam. A true all-rounder. No added sugar. The oats are exclusively sourced from German farms and the product is made in Germany.
