

Organic Sesame Paste (Tahini) 100% 6x250g | Now available - Terrasana, same quality

Our Organic Tahini is crafted from unpeeled, lightly roasted, and ground sesame seeds, resulting in a paste with a delicately nutty flavour, also known as Tahini or Tahina. During storage, its natural sesame oil may separate and rise to the surface. For a consistently creamy texture, simply stir and enjoy. Tahini is delightful on its own, spread on bread, or paired with sweet honey or jam. Originating from Arabic cuisine, it adds an exotic touch to stir-fries, soups, sauces, and dressings. It is also a key ingredient in Hummus, a popular Middle Eastern chickpea puree that has gained global popularity. Looking for more ways to enjoy Tahini? Enhance your baked goods like pancakes and cookies with a touch of sesame paste for a new taste sensation.
