

# Premium Dark Green Pumpkin Seeds Organic Europe

The star among pumpkin seeds! Our pumpkin seeds are sourced from Europe and have been grown without shells (GWS). These flat, oval seeds boast a dark green colour and a rich, aromatic flavour. They're high in protein and a great source of fibre. Perfect for snacking, or for adding to bread, rolls, and baked goods, muesli, and both sweet and savoury dishes. Lightly toasting them in a pan will enhance their nutty flavour. We also offer [Demeter-quality pumpkin seeds](#).
