

Sunflower seeds bakery Europe organic

Designation: sunflower seeds bakery

Description: Organic European sunflower seeds in Bakery quality are harvested and shelled when ripe. The oval, bulbous, white-grey seeds have a slightly nutty flavour and a crunchy texture. The oilseed is a source of protein and fibre. Sunflower seeds are ideal for bread, rolls and pastries, but also as an ingredient in breakfast muesli or as a snack between meals. Delicately roasted, they refine salads and add a crunchy flavour to sweet and savoury dishes.

Preparation: Sunflower seeds for bread and rolls, pure or finely roasted as a topping for muesli, salads, savoury and sweet dishes.

Ingridients: sunflower seeds*
