## Whole cane sugar organic

Designation: whole cane sugar

**Description:** Our whole cane sugar is characterised by a slightly caramelly, pleasantly malty taste and a rich brown colour. Whole cane sugar is extracted from the pure juice of the sugar cane and produced in the traditional way. The freshly pressed juice is boiled down to syrup, cooled and then ground. This preserves the full molasses content. With its special flavour, our whole cane sugar is the perfect accompaniment for a variety of dishes. Use it to sweeten desserts and pastries, refine your drinks or give your savoury dishes an exotic touch.

**Preparation:** Whole cane sugar is a special sweetness with a slightly malty caramel flavour that is very suitable for fine baked goods and dessert creations.

Ingridients: raw cane sugar\*
