

Almonds chopped organic

Designation: almonds chopped

Description: We only use European almonds! They taste much nuttier and more aromatic than overseas almonds. The almond kernels are ivory-coloured, blanched and chopped. The brown skin has been carefully removed using steam. The pieces are approx. 2 to 4 mm in size. They are crunchy and firm to the bite. Almonds provide a lot of fibre and are a source of protein. They are ideal for snacking, baking, cooking, blending, topping and desserts.

Ingridients: almonds blanched*
