

# Organic Rooibos Tea Fine Cut

Our Organic Rooibos Tea has a lightly fruity-sweet and mild taste. Rooibos is not technically a tea, but consists of the needle-like leaves of a shrub also known as Red Bush. This grows under the sun of South Africa and is also processed there. As it contains no caffeine and only a few tannins, it is an ideal refreshing beverage for the whole family. It can be enjoyed hot or cold, pure, with milk, a plant-based alternative or with a dash of (lemon) juice. Leaf grade: Fine cut. Try our Organic Fruit Tea blend with your family as well.
