

## Coarsely broken peppermint leaves organic (tea)

Organic peppermint leaves for a delightful peppermint tea. Our organic peppermint tea is a true classic among herbal teas and stands out with its pleasantly fresh, minty aroma. The refreshing tea is perfect for the whole family and can be enjoyed both hot and cold. Whether it's to start your day, to cool down on a hot summer day, or to relax in the evening - our peppermint tea is always a good choice. In the Orient, strongly sweetened peppermint tea is often served to guests in small glasses as a refreshment. Also a pleasant refreshment: Our [Organic Fruit Tea Blend](#).
