

Assam broken East Frisian tea bio

Every cup of Assam tea offers a full-bodied, robust flavour that transports you to the lush, fertile soil of Assam's tea gardens. Distinctive of this tea is its unique malty aroma, which with its intensity and depth, caresses your taste buds. Accompanied by a sweet note reminiscent of honey, this sweetness lends the robust tea a pleasant complexity and balance, turning your tea time into an extraordinary taste experience. Traditionally, this tea is enjoyed with Kluntjes (white rock sugar) and Wulkje (a dollop of cream). First, place the rock sugar in your cup and enjoy the crackling sound as you pour freshly brewed tea over it. Then, add the cream to the tea. True East Frisians enjoy their tea 'unstirred'. As a vegan alternative, we recommend Natumi Oat Cuisine. us.
