

Date sugar (date powder) organic

This natural sweeteners comes 100% from finely ground organic dates. Date sugar lends desserts a special aroma with its gentle sweetness and subtle, distinctive flavor. This natural sweetener is perfect for baked goods, desserts, and even savory dishes. Did you know that date powder: - tastes less sweet compared to cane sugar - has a caramel-fruity flavor that imparts a wonderful aroma to many baked goods - contributes its dark color to the products its used in - is not fully soluble in liquids (for these applications, please use date syrup) - contains the minerals and fiber of the date.
