

Organic chocolate coated espresso beans

Espresso beans to nibble on! Aromatically roasted espresso beans, coated in dark chocolate. The espresso beans are carefully roasted to bring out their rich flavour, and then coated in dark chocolate. This sophisticated combination of sweet and bitter chocolate that melts in the mouth and the intense flavour of crunchy roasted espresso beans is a very special treat and not just for coffee lovers! They make a great snack, provide an energy boost and can even be used as an espresso substitute after a meal. They are also ideal for adding a special flavour to baked goods such as cakes, muffins, brownies, and confectionery, or for decorating them.
