

Organic Walnut Halves Light Europe 5kg

European walnut halves are a taste sensation! They have a mild, nutty flavour with a delicate bitterness and a slight sweetness. These are predominantly light, halved kernels. The nut halves are light brown, firm to the bite and crunchy. They are high in fibre. The kernels are ideal as an ingredient for baking and cooking, as an addition to salads and muesli or as a decoration for pastries and desserts, as well as a crunchy snack.
