

Organic Pecan Nut Halves 5kg

Our organic pecan nuts are a true delight for all nut lovers. They impress with their high quality, crunchy bite, and sweet, buttery aroma. Pecans are close relatives of the [walnut](#) and are characterized by a slightly slimmer shape and milder taste. Pecan nuts are versatile and can be enjoyed raw or used in various dishes. They are excellent for baking, such as in cakes, muffins, or cookies. They also make a delicious addition to muesli or salads, either raw or lightly roasted. Furthermore, pecans can be used in savory dishes like poultry or vegetable dishes. Originally from the USA, the pecan nut is now also cultivated in Africa, Australia, and Asia, including China. The pecan nut is also known as the hickory nut.
