

Organic unhulled sesame seeds, 6x500g

Discover the nutritious and versatile benefits of our unhulled, dried sesame seeds. With their characteristic nutty to slightly tart flavor, these flat, oval seeds are an excellent addition to your kitchen. The oilseed is high in fiber and a source of protein. Toast them lightly in a pan to intensify their unique nutty flavor. Our sesame seeds are a perfect partner for sweet and savory baked goods, crunchy salads, aromatic sauces and authentic Asian dishes. Also available from us: organic sesame seeds, hulled, with a uniform color and particularly mild taste.
