

Light Mulberries organic 6x200g

Whole sun-dried mulberries. The beige berries are mostly firm in consistency and have a distinctive, sweet taste that reminds of honey and caramel. They are a source of fibre and are perfect as a pure snack and natural sweet energy supplier, for [mixes](#) as well as for cooking and baking. Did you know that you can also sweeten your favourite tea naturally with these fine berries? Simply brew tea and mulberries together, let it steep and enjoy a moment of indulgence on the sofa.
