

Large organic cashew pieces 5kg

The cashew pieces are mainly ivory to beige in colour and consist of kernels that have been broken into more than two pieces and are larger than 4.75 mm. They include, for example, the grades LWP (large white pieces), LP (large pieces), SP (scorched pieces), and P1. They are a source of protein. The mild, nutty kernels are perfect for snacking, cooking, and baking, for exotic cuisine, as an ingredient for salads, sauces, desserts, or for muesli. Deviations in size are possible, please ask your responsible salesperson about the currently available sizes and grades. You can also find [small organic cashew pieces](#), [organic cashew halves](#) and [cashew nuts](#) of different sizes in our shop.
