

Cashew nuts 320er organic 5kg

Medium-sized, ivory-coloured organic cashew nuts with a mild, nutty flavour. The size is determined by the number of nuts per English pound (454g). These beautiful nuts number between 300 and 320 pieces. Whether in salads, savoury dishes, muesli, baked goods or as an ingredient for homemade [nut mixes](#) and energy bars, cashew nuts are always an excellent choice. They add a special touch and a pleasant texture to your dishes. Moreover, cashew nuts are a fantastic ingredient for vegan and vegetarian dishes and can be used as an alternative to milk or cream.
