

Organic unhulled sesame seeds 5kg

The flat, oval sesame seeds are unpeeled and dried. The seeds have a beige to light brown colour and taste nutty to slightly bitter. The oilseed is rich in fibre and a source of protein. Lightly roasting in a pan intensifies the nutty flavour. Sesame is suitable for sweet and spicy baked goods, salads, sauces, Asian cuisine and much more. Also available from us: [Organic hulled sesame seeds](#), with a uniform colour and particularly mild flavour.
