

# Organic cane sugar 6x500g

Our cane sugar has a lightly caramelised, pleasantly malty flavour and a rich brown colour. It is made from the pure juice of the sugar cane using traditional methods. The freshly pressed juice is reduced to a syrup, cooled and then ground. This preserves the full molasses content. With its unique aroma, our cane sugar is the perfect accompaniment to a wide variety of dishes. Use it to sweeten desserts and baked goods, enhance your drinks or give your savoury dishes an exotic twist. Experience the difference our cane sugar can make in your kitchen! Discover a new way to enjoy sweetness!
