

Earl Grey Tea Black Tea Organic 1kg

Our Earl Grey organic black tea is a robust [Assam black tea](#) with a fine, natural bergamot aroma. The unique citrus scent and flavour is refined and complex. Earl Grey tea is an absolute classic among black teas and has been appreciated by tea lovers for centuries. Enjoy this tea in a cosy hour at home, alone or with friends. How does the bergamot differ from other citrus fruits like orange, lemon or grapefruit? The bergamot is smaller and pear-shaped. Its light green to yellow peel is thinner and smoother than that of most other citrus fruits. It is usually not eaten, but cultivated for the extraction of its intense essential oil.
