

Organic Rooibos Tea Fine Cut 1kg

Our Organic Rooibos Tea has a lightly sweet and fruity taste, with a mild flavour. Rooibos is not technically a tea, but rather the needle-like leaves of a shrub also known as Red Bush. This plant is grown and processed under the South African sun, making it a caffeine-free and low-tannin beverage, perfect for the whole family to enjoy. It can be served hot or cold, pure, with milk, a plant-based alternative or a splash of (lemon) juice. Leaf grade: Fine cut. Try our [Organic Fruit Tea Blend](#) with your family as well.
