

Jasmine Tea organic 1kg

Fine organic jasmine tea, a traditional tea blend of organic green tea and intensely fragrant jasmine flowers. Our organic jasmine tea is produced using a centuries-old method that combines the enchanting aroma of jasmine flowers with the invigorating properties of green tea. Fresh jasmine flowers are mixed with green tea and gently heated, releasing their intense aroma into the green tea leaves. The blossoms are then removed from the tea, resulting in a green tea with a uniquely floral aroma. Let yourself be enchanted. As a tea lover and connoisseur, you will also find a [green tea China Chun Mee](#) in our shop.
