

# Raw Organic Macadamia Nut Kernels (Style 1)

Large, mostly whole unroasted organic Macadamia nut kernels. The queen of nuts has a unique buttery-nutty flavour, is delicately ivory to beige in colour, and is rich in fibre. Macadamia nuts are a noble snack for nibbling and are excellent as a fine ingredient for pralines, baked goods, desserts, [mixtures](#) and even savoury dishes. Storage tip: Please store the sensitive Macadamia nuts after opening in an airtight container in the refrigerator. However, even better than storage is the quick consumption - so you can enjoy the unique taste of this exotic luxury nut to the fullest.
