

Jasmin-Tee bio Grobschnitt 300g

Fine organic jasmine tea, a traditional tea composition of organic green tea and jasmine blossoms. Our organic jasmine tea is produced using a centuries-old process that combines the beguiling flavour of jasmine blossoms with the invigorating properties of green tea. Fresh jasmine blossoms are mixed with green tea and gently heated. During this process, the jasmine flowers release their intense flavour into the green tea leaves. The flowers are then removed from the tea, resulting in a green tea with a unique floral aroma. Let yourself be enchanted.
